Side-Load Polymer Dish and Tray Carts — SSD/DSD Series

High Capacity:

- Metro's Side-Load Dish and Tray Carts come in single and double-sided models. They are perfect for holding a variety of different sized dishes, odd-shaped platters and trays.
- Holds up to 60 dishes in each column, and/or approximately 80 trays per column.

Flexible:

- Adjustable dividers accommodate a variety of different sized dishes and trays.
- Divider system easily adjusts to keep dish columns separated and eliminates dish chipping and crazing.

Maneuverable:

- New recessed handles increase maneuverability and make transport effortless.
- Low overall height allows for maximum space utilization and convenient under counter storage.
- Four 5" (127mm) diameter swivel casters (two with brakes) with neoprene wheels provide for easy maneuverability and positioning.

Durable Construction:

- One-piece, sturdy polymer construction is extremely safe for dishe easy to clean, and is resistant to cracking, peeling or chipping.

Sanitary:

- Smooth, rounded corners and seamless cart surfaces eliminate cr and crevices and simplify cleaning.
- Built-in drain holes promote cleanability and eliminates the possibi of water build up.
- Dishes/Trays are stored 12" (305mm) above the floor surface, minimizing dust and water marks from floor dirt and splashing.
- Included translucent vinyl cover protects clean dishes from dust a water splashes while in storage and allows workers to view conten without removing the cover.
- NSF Listed.

Microban® Antimicrobial Product Protection:**

- Cart body has built-in *Microban® Antimicrobial Product Protection which inhibits the growth of bacteria, mold, mildew, and fungi that cause odors, stains, and product degradation.
