CLEANING INSTRUCTIONS

Starsys cart bodies and some accessories are constructed of durable advance composite of polymers. A soft cloth, mild soap and water solution can be used to clean lightly soiled surfaces. After cleaning, wipe dry with a clean soft cloth.

For heavily soiled areas, a soft brush and solvent or emulsionbased cleaners may be employed. Always insure that the cleaner is recommended for use on plastics and follow any special instructions from the manufacturer.

The use of abrasive cleaners is NOT recommended.

Please read the instructions for recommendations on correct cleaning materials and procedures.

RECOMMENDED TYPES OF CLEANING PRODUCTS

NOTE: This list is by no means complete. The listed products are only ones that have been proven effective in cleaning the cart body, drawers and accessories. It is not our intention to promote particular brands.
