

MetroMax® i All-Polymer Shelving System

MetroMax® i Superior on every level.

Superior protection, efficiency
& versatility in the worlds best
all-polymer shelving system.

MetroMax® i provides unmatched performance in any application.

- Advanced polymer construction with built in Microban® antimicrobial product protection ensures a cleaner, life long solution.
- Smooth surfaces prevent damage to delicate valuable items.
- Adjustable shelves and a full array of accessories deliver the ultimate in space saving efficiency.

Smooth Protective Surfaces.

Protect delicate items.

Prevent damage to valuable supplies and eliminate waste from reprocessing sterile packs.

Increased Storage Capacity.

Maximize every available space by reclaiming wasted space above stored equipment.

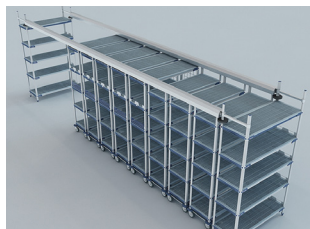

Maximum Efficiency.

Best spill containment.

Easiest-to-clean.

Sectioned open-grid and full-length solid mats remove easily. Built-in Microban® antimicrobial product protection keeps the product "cleaner between cleanings".*

Strong.

MetroMax® i delivers stability across stationary, mobile, and high density top or floor track shelving.

(25mm)

Organized.

Contain and organize your storage with ledges, dividers and color markers to standardize location and find by service line.
