Introducing
Super Erecta Pro™
The cleanable &
durable solution
designed to **promote**
food safety.

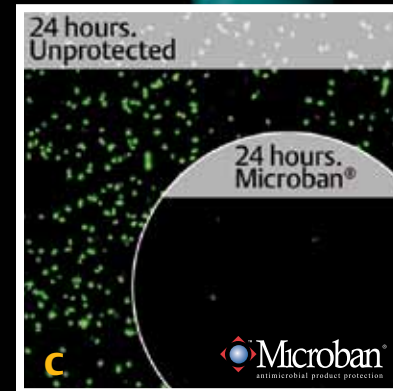

a. Professional advantage:
Shelf mats lift off for
easy cleaning.

b. An easy to clean solution
that promotes food safety.

c. Microban® is built into
the shelf mats and epoxy.
Microban® inhibits the
growth of bacteria, mold,
mildew, and fungus that
causes odors and product
degradation.

d. Shelf mats withstand abuse
from abrasive polycarbonate
containers, stainless pans,
and heavy boxes.

e. Designed for moist
environments. Shelf mats
are polymer and will never
rust. Epoxy coating has a
12 year warranty against
rust and corrosion.

f. Proven truss design delivers
the strength you need.
Robust Super Erecta® design
can hold up to 800 lbs. per
shelf and 2000 lbs. per unit.

Clean. Durable.
