

Super Erecta® Stainless/Metroseal

Pan Rack

Stainless performance priced just right.

Metro Super Erecta®
Stainless/Metroseal Pan Racks
offer the best of both worlds.

Why pay for all stainless when Metro offers stainless steel wire slides with Metroseal Gray epoxy structure for the perfect balance of performance and affordability? Type-304 stainless steel slides won't rust and carry a lifetime warranty and the corrosion resistant Metroseal Gray epoxy structure with built-in Microban® provides superior strength, air flow, and cleanability.

So, not only do you get the performance, but you benefit from only paying for premium stainless where you need it.
