Starsys® Mobile Products Polymer Casters

The Starsys standard, polymer, plate casters offer customer maintenance free, medical grade casters that are easy smooth rolling, quiet, and robust. All Starsys mobile products have these standard 5-inch plate casters and come with two (2) total locking casters in the front of the unit and two (2) directional (0 deg / 90 deg locking) in the rear of a unit. These casters greatly assist in controlled mobility and positioning of carts (short or tall) and mobile work centers.

Features

- B-Plate caster standard on all Starsys mobile products.
- Maintenance free, with sealed wheel bearings, polymer construction.
- Corrosion resistant with non-marking wheel.
- Resistant to water.
- Medical Grade caster specifically designed for all environments where silence is essential.
- Color coded caster for locking type (total lock is red, directional is green).
- Thread guard prevents caster failure from strings and other debris.
- Ball bearing swivel head.
