

LockView® 5Pro Software

Part Numbers:

SXR423

FLX423

LMX423

Congratulations on your purchase of LockView® 5Pro Software.

This version of software includes 1 year of technical support and free software upgrades.

The Technical Support agreement will be executed between the IT Department within your facility and CompX® (Metro's software supplier).

Copies of all software instructions can be found at

CompX LockView Software Instruction Manual

http://compixelock.com/images/LV-5_5Pro-manual-LOCKVIEW.pdf

CompX Database & Network Configuration & Installation Manual

http://compixelock.com/images/LV-5_5Pro-manual-CONFIGURE.pdf

Note: English, French and Spanish versions available

If you have questions regarding the agreement or technical questions related to software, please contact CompX at techsupport@compx.com or 847-752-2525.

We put space to work.®
