

# Care virtually everywhere.

## Starsys® Telehealth

The Starsys Telehealth Cart is ideally sized for bedside supply. Add PowerPod™ to power a computer, monitor and webcam and now you have a perfectly sized solution to facilitate patient care, no matter where the physician might be.

24/7 Protection

# Long lasting power & protection when you need it the most.

Starsys carts are constructed with a polymer body and all polymer drawers that won't rust, dent, chip or peel. The polymer is molded with Microban® antimicrobial product protection built-in. Microban® antimicrobial protection works 24/7 for an added level of protection against bacteria, mold and mildew and makes products easier to clean and keep cleaner in between cleanings.

## METRO POWERPOD™

Computerized carts are equipped with Metro's PowerPod, featuring a universal power supply that accommodates a long running LiFe battery solution that provides a lower cost of ownership. PowerPod is an AC/ "Plug-& Play" solution designed to get the clinician and tools they need—where they are needed...Next to the patient.
