Super Erecta® Mobile Suture Carts

- **Quick Access To Sutures:** Specially designed slanted wire shelves let you organize and store sutures within easy reach.
- **Instant Identification of Sutures:** Open wire construction and slope of shelves permit instant identification. No more searching - the sutures you need are in plain view.
- **Inventory Control:** Suture cartons are neat and organized on the shelves for precise control of inventory. Eliminates duplication and confusion in ordering.
- **Easy Loading & Removal of Cartons:** The slanted design of the shelves makes loading quick and simple. Shelves are self-feeding, so cartons are always at the front, within easy grasp.
- **Four-Inch Retainers** serve as ledges at the ends of each shelf to prevent cartons from sliding off... can also be used as dividers to keep rows of cartons separated. Twelve are supplied with each cart.
- **Five-Inch Casters** enable cart to be moved easily by one person. Brakes on front casters make it simple to lock cart in position when placed against wall.
- **Chrome-Plated Finish**

DC55EC - 1 flat, 4 slanted shelves

DC16EC - 5 slanted shelves
