

Which cart should I choose?

During a code, time is of the essence. Having a cart that is easily maneuvered, highly organized, and allows simultaneous access is crucial. The Metro code cart offering provides these features and more. Whether you desire something basic or fully integrated, we have your solution.

GOOD

Basix Plus
No. **MBP3210CRT1**

Traditional design that matches existing fleet. 

- Lighter weight hybrid construction
- Clean corner attachment
- Configure without penalty

BETTER

BEST

Lifeline
No. **LECCRP7**

Designed for a code with modern aesthetics. 

- 5TH wheel steering
- Fully integrated accessories
- Multi-person Access
- Lightweight polymer construction
- Antimicrobial product protection

CLEANER BY DESIGN™

- Microban® antimicrobial protection helps to keep products "cleaner between cleanings."
- Advanced polymer and other proprietary finishes provide corrosion resistance.
- Smooth, rounded corners to allow for easier cleaning.

*Microban protection is not designed to protect users against disease causing microorganisms.
